### **WKF President's Foreword**

The Mediterranean Karate Championships are always an intriguing event, as we witness the stars of the sport in the region demonstrating their enormous potential. The 28<sup>th</sup> edition of the championships is set to be an even more thrilling event since it will bring karatekas further opportunities to succeed at the highest level while the quest to the Olympic Games intensifies.

Additionally, the Mediterranean Championships are the stage where the stars of the future show the promising prospects of our sport. This is truly at the heart of what these events are all about, recognising the progress of younger competitors and saluting the immense skill of up-and-coming athletes who are on their way to dominate the sport in years to come.

The 2020 Mediterranean Karate Championships will be held in Nicosia (Cyprus), from April 3 to 5, 2020. We expect to have the same successful attendance of karatekas from all the Mediterranean nations as in previous editions. I would like to thank the Cyprus Karate Federation and its president Andreas Vasileiou as well as the Mediterranean Karate Federation headed by president Bechir Cherif for their determination in organising this event.

Best of luck to all the participants and organisers and a big "Oss" to all of you Karate fans.

MKFU President

Dear Colleagues,

I would first like to express my joy to be here in Nicosia, a city with a strong heritage and a deep history throughout the centuries. Nicosia will host the “28th Mediterranean Karate Championship for Cadets, Juniors, U21 & Seniors”. I sincerely like to thank the president Andreas Vasileiou and the directing committee of Cyprus Karate Federation for their effort to organize this championship, a place truly Mediterranean where there are real cultural and civilization values of tolerance, self-esteem, humility, respect for one another, discipline and altruism.

The presence of various delegations from different Mediterranean countries is evidence of the organizers’ desire to forge strong links between the youth on the one side and the adult supervisors on the other with the goal to succeed in better communication between all people founded on the karate values: dignity and humility, equality, and rigorous development of mind and body.

These games provide the opportunity for participants to aim for Olympic values, themselves of Mediterranean origin, and true ideology while being inextricably bound to all human coexistence. The ultimate goal of Karate is to aim for a life together in which mutual respect, regard for one another and interpersonal relationships exist in harmony soaked in the vigor of a culture of peace and transcendence.

Let me express my sincere appreciation to president of WKF Mr. Antonio Espinos for his extensive support in the endeavors of MKFU and more over for his outstanding work in succeeding joining karate in the Olympic program 2020, a long way dream that he made reality for every karateka.

Finally, I would like to reiterate my compliments to the organizers for this grand affair that encourages fruitful exchange and encompasses all the best of the essence of humanity.

### **CKF President's Foreword**

Dear Karatekas,

On behalf of the Cyprus Karate Federation I'm looking forward in welcoming you for once more in Cyprus, this time for the "28th Mediterranean Karate Championship for Cadets, Juniors, U21 & Seniors". As you have known, Cyprus has gain valuable experience in organizing big international events such as the European Karate Championship in 2001, the World Karate Championship in 2005, the Mediterranean Karate Championship in 2007 and the Balkan Karate Championship in 2011, the Mediterranean Karate Championship in 2013, the European Karate Championship in 2016 and the K1 Youth League 2019.

Encouraged and excited by the success of the previous championships organized in Cyprus, the Cypriot Karatekas and particularly the Cyprus Karate Federation Directing Committee works very hard to ensure that the "28th Mediterranean Karate Championship" will be a truly worthy event for all those involved. This event will be truly worthwhile for those who will participate, athletes, coaches, referees and delegates. The Championship will be held in Nicosia the capital of Cyprus and specifically in Tassos Papadopoulos Eleftheria Sports Center.

Looking forward to seeing you soon in Cyprus!

**Andreas Vasileiou**

**Nicosia**

**Nicosia** is the capital of Cyprus.

The Nicosia district combines its culture heritage with the contemporary way of life. The capital is steeped in history with large Venetian walls encompassing a beautiful old city. There is also a museum containing many amazing artifacts dating back to a time long ago. Its artifacts include a 1st Century A.D. statuette of Aphrodite of Soli and the original mosaic of Leda and the swan as well as another museum (Leventis Museum) containing artifacts depicting Nicosia's history. The new city expands in to a modern European-influenced centre of buildings, offices, pavement cafes and shops. Nicosia is an ideal place for shopping especially Stassicratous

Street.

In the countryside you'll encounter olive groves and various orchards leading up in to the renowned pine forest of the Machairas Mountains on top of which lies a centuries old monastery. From the monastery which is dedicated to the Virgin Mary and is one of the jewels of Cyprus, you can look down on to the picturesque valley with a brilliant view in all directions. Traditional villages with cobbled streets are spread throughout the rural areas of the Nicosia district.
